I always take “me” time whenever and wherever I can. There’s something thrilling about potentially getting caught doing it. Even if no one around to witness my vulnerability, the apprehension is enough to heighten my orgasms. Though once I get going it’s hard to pay mind to my surroundings. I might just stay naked all day.

People underestimate my sexual capabilities. I think they might not take me seriously when I tell them what I want. The surprise on their face when I show them what "rocking their world" looks like. It's really telling that some of those people just aren't having the full sexual experience they could have with me. But I'll show them.

OUR MAIL OVERFLOWETH

A WALK IN THE PARK

A couple of weeks ago, I was dog sitting for one of my cousins. It wasn't too bad, feed the dog, let him out, and otherwise, I had the house to myself to relax and game. And every now and then, take the dog out for a walk.

The dog apparently already knew the way because as soon as we left, he started pulling down the street and toward the nearby park. I stopped fighting and just let him lead, figuring that as long as the dog was happy, we both would be.

He was a regular in the park, with several kids calling his name and running over to pet him. Once the initial excitement wore off, I took off the leash to let him run around a bit, since he seemed to know what he was doing while I grabbed a bench to watch. A young woman came up to me after a couple of minutes, who said she lived a few doors down from my cousin and recognized me because of her dog. When I looked up, I saw that she was about my age, with a pretty face, soft pink lips, and a slender figure that got my eyes looking up and down a couple of times without thinking.

I'm pretty sure she caught me, but only flashed a playful smile that spun me around. The dog returned and pawed at me, clearly done playing, so we waved bye to her and made our way back to the house.

About an hour or so later, there was knock at the door, and she was standing out there with a couple bottles of wine and asked if I wanted some company. Now, I've never turned away free alcohol or a free girl, so I stepped back and let her inside. She quickly got to work pouring us a couple of glasses, obviously knowing her way around the kitchen like she'd been here before, which suited me fine because I still didn't know where anything was.

I led the way back to the couch and started to flip through the channels to find something to watch. When she returned with the wine, she gave me a glass and took the remote, tossing it aside. Instead, she sat herself down on my lap and started to grind against my jeans.

My eyes widened at how quickly she moved, and with how hard my dick suddenly became, with my jeans feeling incredibly tight. Before I could think, she lowered her mouth to mine and started making out with me as we sat on the couch. It might have been a minute or two before she let me breathe, and when she did, I barely had time to suggest that we move into the bedroom to get some privacy from the dog.

She pulled me down the hall and shoved me back against the door as soon as we got in. She

Lovin' Lena --

When I saw Lena Paul on the cover of ***Busty Beauties***, I almost creamed my pants. She's one of my favorite adult entertainers and I can't get enough of her. But it seems like I never see her in a magazine layout, and here she is. Thank you! I love her because she is so uninhibited and seems willing to do just about anything. There is a lot of vanilla sex out there, but she adds a lot of flavor to her scenes. I'm especially a big fan of her anal scenes. Seems like she's got that down to a T. Anyway, I just wanted to drop off a quick note, and I hope that she'll keep the good stuff a-cummin'.

– Rick K., Toronto

started making out with me while simultaneously pulling my shirt over my head, pinning my hands there while her free hand fought ferociously to undo my jeans. It wasn't long before I felt them loosen and my dick sprang outward. With a last kiss, she moved to my meat and started to devour, swallowing it all in one and nearly sending me over the edge right then.

Her hand pressed against my chest, flicking my nipples and keeping me against the door as she feasted how she wanted. I was deep in her throat for what felt like an eternity before her tongue started to take over across my slit that was already oozing in anticipation. She smiled at me, licking her lips around the head before taking my dick and balls in one hand and pulled me into the room, laying herself back on the bed.

Even as I looked down at her, she still held her grip, tugging at my shaft and sending waves of energy through me. My hands fumbled with her shirt so badly that I accidentally ripped it. Something in her look said I'd pay for that, but later as she let out a small moan as her chest opened for me. She didn't wear a bra, and let herself freely bounce on the bed, squeezing my dick as it throbbed. My hands shook as they reached for her large boobs, but they only got to feel for a second before she pushed them away. She squeezed my cock again and looked down to her waist. I reached for her tight jean shorts, which fell away with barely a tug, leaving her there in a tight thong. Her free hand reached for mine and pushed it down against the thong, leaving me rubbing her already moist clit through the thin fabric.

She pulled me up to kiss me fiercely and told me to put it in. Without taking off the thong, she guided my eager cock and let it just rip through the flimsy material. I threw my head back as it felt like another band around my dick, squeezing and firing waves of pleasure deep inside. I wasn't going to last very long, but the look in her eye said I shouldn't, at least not that time. I forced myself as deep as I could before letting loose, both of us screaming out in ecstasy and falling on top of each other.

She leaned up and kissed me softly, offering to keep me company the rest of the week, to which I quickly agreed.

VACATION AFFAIRS

I want to start out by saying that I didn't plan for things to work out this way. Sometimes, life just throws you a curve and you have to make the decision whether or not to go for it. Well, I went for it, and it turned out to be one of the best decisions I ever made.

Not long ago, I was on a vacation. Yes, with my family. It was a vacation where we all needed to get away, and not just from the day-to-day life, but even from each other. Most days, we all went our separate ways. For myself, I spent a lot of time at the bar at the hotel pool. It was nice to get to the weather, to see other people, and most importantly, to just be able to let loose.

The moment she sat down next to me, I knew I was in trouble. Amy was 5'11", with short blonde hair and piercing gray-blue eyes. And she had a command to her voice like nothing I'd ever heard. I could actually see the bartender stand up a little straighter was she barked out her order, which turned out to be the same as mine.

I talked to her for a few minutes, the basics. We got on alright, at least until the topic turned to families. Then, we both became eerily quiet and strangely interested in our drinks. I tried not to notice, but when she brought it up again, it was definitely the same expression. We threw our drinks back and, without a word to each other, I followed her back to a room high up in the hotel.

As soon as we entered the room, she turned around and pressed me hard into the door, leaning in to lock our hungry lips. In seconds, we were ripping

I loved it. Everything about the way she handled me, made me feel like it was about a shared pleasure in ways that I hadn't even though of before. And when she finally lowered her hungry and horny crotch down onto my aching dick,

our clothes off as she pushed me towards the nearest bed.

However long we were there, whether minutes or hours, felt like a dizzying whirlwind. Our bodies pressed together tightly, hers slender and smooth, mine bulky and hairy. We rolled over each other, me on top with her large boobs pointing up at me. I buried my face deep and played with the large nipples, relishing in the way she moaned and squirmed. Then, she rolled on top of me, her nails digging in just enough to send of sting of pleasure through my flesh. Across my chest she scratched as she lowered her luscious lips slowly down over my body. She placed soft kisses all around my throbbing meat, careful not to touch it, teasing it with her breath all around.

Finally, she let her tongue out and started flicking at the tip, forcing the slit open to do her bidding. My dick jumped even more, trying to force its way into her mouth, but Amy wouldn't do anything if it wasn't on her timetable. She slowly continued to tease, tongue running up and down my long shaft. I ached and grabbed the covers as I realized she had me completely.

She took her time before finally lowering her mouth down onto my throbbing shaft, and I almost threatened to shoot right then, but for the look in her eyes that told me that she wasn't ready. Stroke after stroke, she kept me on the edge. Those long nails started to lightly scratch at my balls, sending them into a frenzy. I have no idea how I was able to hold on other than because of Amy's firm and complete control over me.

I loved it. Everything about the way she handled me, made me feel like it was about a shared pleasure in ways that I hadn't even though of before. And when she finally lowered her hungry and horny crotch down onto my aching dick, I realized that I still had even more levels that she could take me to.

She quickly found herself in a steady rhythm, picking up enough to get me close, then, sensing it, slowing me down just long enough to relax before grinding harder again. She quickly worked me into a frenzy, taking her time and enjoying every second. I pulled her down so I could make out with her as she rode me, but our screams and moans prevented much more than that. She held my hands back over my head, keeping me under her control, under her spell. Finally, only when she wanted, she let out a loud scream and pressed my dick into exploding.

Load after load, more than I could remember in years pumped out of me, each one filling me with a greater rush. When I was fully spent, she leaned down, thanked me, and kissed me gently before sending me out.

I didn't see Amy again that vacation, but she reminded me of how much sex can bring two people together, and whenever I needed a reminder after that, I just thought back to how much she did for me, and how much I could keep on giving.

Katie

Sometimes when I'm feeling bored and horny I dress up in lace and entertain my body. I like to unveil my breasts and imagine the look on a lover's face at the sheer size of them. As more flesh comes to view, the subtle curves and slight dimples enrapture their eyes. Finally, I'll show my glowing pussy and drive them into a fucking frenzy.

I KNOW WHAT YOU'RE THINKING AND IT'S OKAY 888-666-5652 MUST BE 18 TO CALL

Tending bar four nights a week covered her rent and utilities, barely. Food was another matter.

Cum Dumpster Diver

Peering at the blue and white cruiser in her cracked rearview mirror, Fran broke out in a cold sweat. Had somebody at her last stop called the cops? She hoped not. A few months ago some asshole supermarket manager had reported her to the police, resulting in a stern warning and a two-hundred dollar ticket for trespassing.

The light turned green.

Fran accelerated through the intersection.

She breathed a sigh of relief when the cruiser whipped into the other lane and rocketed past her old hatchback. Resentment welled up within her. She shouldn't have to feel this way, shouldn't have to fear the law for taking advantage of food waste.

As an experienced dumpster diver, Fran knew a lot about the topic, far more than she had ever hoped. But times were tough. A recent college graduate strapped with student loan payments and escalating rent costs, she was struggling mightily to stay afloat. "Should have listened to my father," she muttered to herself. "Should have majored in Nursing instead of Theatre . . ."

Had she followed the old man's advice she would be comfortably employed; up to her eyeballs in bedpans, sure, but certainly not spending her summer days foraging through heaps of disgusting trash. Since finishing school in May, Fran had auditioned for countless parts, each and every role going to some other actress.

She was beginning to lose hope. Tending bar four nights a week covered her rent and utilities, barely. Food was another matter.

Now Fran wheeled into the alley behind a strip mall. She had hit this location before, scoring several loaves of perfectly good bread for her efforts.

She braked beside the deli's dumpster. The establishment's back door was closed. With any luck it would remain that way for the duration of her search. It was a crapshoot, really. Some folks couldn't have cared less if you ferreted through their refuse; while others became indignant and treated you like a common criminal.

Swallowing her pride, Fran got out of the car and embarked on her second dive of the day. Standing inside the dumpster, Fran was all smiles. The receptacle had been a veritable treasure chest. She had filled a pair of plastic grocery sacks with all manner of edible goodies: half a loaf of French bread, two heads of lettuce, a tomato, and several avocados. The tomato was slightly bruised, but fine for consumption.

Feeling triumphant, she climbed out of the dumpster and leaped to the pavement. Eager to move on to her next stop, she made a beeline for her car.

"Hey, come back here!"

Fran froze in midstride. Clad in a white apron, unlit cigarette clamped between his scowling lips, a deli worker stood framed in the back door. He moved fast for a big guy, managing to block her escape route, wedging himself between Fran and her car.

"You're trespassing, you know. I could call the police and have you ticketed, maybe even arrested . . ."

"Please don't," Fran pleaded. "I was just looking for something to eat."

"Get a job like everybody else."

"I have a job—"

"Is there a problem here?"

Feeling triumphant, she climbed out of the dumpster and leaped to the pavement. Eager to move on to her next stop, she made a beeline for her car.

BLAIR-NTS-09

The irate deli worker turned to regard his coworker. "I caught her snooping around in our dumpster, Mike."

"Get back inside. I'll handle it."

"We should call the police."

"I said get back inside, Frank. The dishes are piling up."

"We can't just let her—"

"Dammit! Don't make me tell you again!"

The sullen dishwasher returned to work, all the while mumbling around his unlit cigarette. Mike addressed Fran, "Sorry about that. Frank can get a little carried away."

She was humiliated. "Look, I'm really sorry about this."

"It's okay. And you don't owe me an apology. We all do what we have to in order to survive. This city is damned expensive."

Mike handed Fran a business card. "Perhaps I can help you. I run a little side business. Give me a call if you want to make some extra dough."

Fran arrived at the deli the following evening at six o'clock sharp; this time she parked out front. Strictly a lunch spot, the place was closed at night, so she was able to find a space with ease, sliding in beside what she assumed to be Mike's convertible. Once inside she saw Frank leaning against the counter. He was drinking a bottle of beer and wearing a fresh white apron. "Sorry about yesterday," he told her. She accepted his apology graciously. Bad blood between the two performers would never do.

Mike rubbed his hands together eagerly. "You look great, Fran. Doesn't she look great, Frank?"

"Gorgeous," Frank said. "And I love the getup. It's perfect."

Per Mike's request, she had worn something befitting a "starving artist" – paint-splotched overalls purchased at a thrift store coupled with her most worn out pair of sneakers. Calling the deli manager had been a no brainer. If anybody needed "extra money" it was Fran. When he had told her what she would have to do for that money, well, she hadn't even batted an eye.

After all, a young actress had to start somewhere. Camera in tow, Mike led Fran and Frank through the small kitchen and into the alley out back. He had explained the general plot to Fran over the phone.

"You ready, Frank?" Mike asked.

"Ready."

"How about you, Fran?"

"You bet," she said.

And so it began . . .

Fran, the penniless bohemian painter, sifted through the dumpster for something to eat. Frank, the opportunistic dishwasher, stepped outside for a smoke, catching her in the act. Then he threatened to call the police. It was art imitating life.

Until Fran told Frank that she was hungry for something else . . .

"Like what?" he asked.

"Like this," Fran said.

She untied the apron and lifted it over Frank's head. He had worn a T-shirt and a pair of baggy cargo short underneath. She made short work of both garments, tossing them aside while peering at Frank's enormous cock. She knelt before him, licking her lips hungrily. The role came easy for her as she loved to suck dick in her personal life. Now Fran employed her tongue the way an artist would use their brush, varnishing him with meticulous strokes.

Frank responded to her careful ministrations, grunting his appreciation. Fran reacted by devouring him in earnest; she wrapped her lips around his engorged member, then thrust her head back and forth, blowing him with frenetic exuberance.

As a struggling actress she had met others who had resorted to adult films as a way to make ends meet. She thought about what Mike had said. This city is damned expensive. So true, she thought. Fran was grateful for the opportunity to fuck on camera.

Hell, at least it was a role!

And Mike had quoted her a nice sum for her efforts; the money was going to help tremendously. This coupled with hot sex made for a win/win scenario.

Presently Fran serviced Frank's balls, sucking each one lovingly while stroking his shaft. Maintaining a sensible clip lest he

Frank moved behind her, admiring the tightness of her twenty-something ass as he did so. He pressed his prick between her cheeks, teasing and taunting her with its size and hardness. Fran was turned on immensely.

blow his load too soon, she moved her hand up and down, priming him expertly as she lapped his nuts.

"That's it." Frank ran his fingers through her raven hair. "Lick 'em good, baby."

Fran doubled her efforts, taking his entire scrotum in her mouth. Frank gasped. Mouth stuffed with meat, she peered at him, meeting his gaze as his rod swelled in her palm. It was time, she knew, for Frank to pound her pussy.

"The life of a painter can be awfully lonely," Fran told Frank. Of course there was no script. All lines were strictly ad lib. Frank went with it. "I'll bet," he replied. "So, tell me, when was the last time you had a cock in your pussy?"

"I can't even remember."

"Well," Frank continued, "I could be persuaded to forget all about your little dumpster diving caper. Forget about calling the cops, too. It all depends."

"On what?"

"You give great head, I'll admit. But I want more . . ."

"Is that so?"

Fran unfastened the straps of her overalls, letting the secondhand garment fall to her feet. She wore a wife beater and polka dot cotton panties underneath. Frank undressed her with his eyes. Fran saved him the trouble, adding both items to the clothes on the pavement. Then she took the lead, flattening her hands against the side of the dumpster like a criminal suspect being frisked for contraband.

Frank moved behind her, admiring the tightness of her twenty-something ass as he did so. He pressed his prick between her cheeks, teasing and taunting her with its size and hardness. Fran was turned on immensely. In reality only a week had elapsed since she had gotten laid. But a week, at least for an unabashed slut like Fran, was a long time.

"Stick it in," Fran said. "Fuck me hard. I've been a bad little dumpster diver."

"Yes, you have," Frank responded.

His last words before he skewered her. Fran was tight. Her cunt sheathed him in snug heat. Holding her narrow waist, Frank thrust repeatedly, plunging his cock into the depths of her pussy. Hands still pressed to the dumpster, Fran's arms were extended, her back bent, her spectacular ass positioned perfectly for a thorough reaming.

Frank didn't disappoint. His menial day job washing dishes wasn't exactly impressive, but the guy had a nice cock, and he knew how to use it. Surely he was one of Mike's regular performers. Fran hoped to fuck him again, hoped to become a regular.

The best way to ensure that was to make this the performance of a lifetime, so that's what she did.

"Fuck me in the ass," Fran said over her shoulder. "I want your big cock in my dirty little slut hole."

Mike hadn't mentioned anal over the phone. Had Fran bothered to look his way, she would've seen him grinning from ear to ear as he recorded the action. Ever the obliging cocksman, Frank gave her what she wanted, wasting little time before he rammed it home.

Her tight donut hole yielded to his immensity. Fran removed one hand from the dumpster, using it to rub her clit as Frank plowed her backdoor. She moaned loudly; this in tandem with the sound of his balls slapping her ass filled the alley.

The climactic closure was near . . .

Fran was determined to give them an ending to remember, the type of conclusion that would surely earn her subsequent roles.

"I want to taste my ass on you," she told Frank.

Before he knew what was happening, Fran had turned around and dropped to her knees, taking every inch in her mouth. It didn't take long. Frank released his seed, coating her face with creamy spunk. When he was done she licked her lips greedily.

In the movie Frank didn't call the cops.

But Mike did call Fran, repeatedly. She became one of his most reliable performers, inspiring him to create a new series called Cum Dumpster Diver. Wildly popular fare.

Christina

I had my weekend all planned out for ample relaxation. I was going to spend today tanning in the sun and swimming in a nice, cool pool. As soon as I was all dressed and ready to go, my man intercepts me on my way out the door, and pulls his cock out. I couldn't say no to a free fucking, so I got undressed as quickly as I had put everything on.

Holly Halston

Holly Halston is a perfect example of the saying "stacked like a plate of pancakes." Her gorgeous tits take two hands to fully envelope, and there's more than that. It's easy to get distracted by the absolute amount a boobage there, but don't doubt the power of her pretty little pussy, too. There's plenty of Holly to enjoy.

I'VE GOT TWO BIG GIFTS AND THEY'RE ALL FOR YOU 877-995-5465 MUST BE 18 TO CALL
